ALLEGANY COUNTY DEPARTMENT OF PUBLIC WORKS
2024 BID PRICES FOR VARIOUS ROAD BUILDING MATERIALS
PRICES EFFECTIVE MAY 01, 2024 THROUGH APRIL 30, 2025

All materials at the low bid price are available to any Town, Village, School District, or Fire District within Allegany County pursuant to Section 103, General Municipal Law.

Per Section 408-a (2) of the County Law and Allegany County Resolution No 202-15, all political subdivisions within the state of New York may piggyback off this competitive bid as long as both parties mutually agree to it. Responsibility, financial or otherwise, for purchase(s) made by other parties due to the extension of this contract shall not be by Allegany County.

The determination of the low bid and whether or not the low bidder of any item can perform shall be made by the appropriate municipal official and not by Allegany County Public Works.

The bid specifications for the various items are on file in the office of the Allegany County Department of Public Works in Belmont for review if any Municipalities wish to do so for their information. The Allegany County Department of Public Works has made available these various building material prices as a service to those municipalities wanting to use them. Still, it does not take any responsibility for any demands, claims, suits, expenses, or damages arising out of the purchases and applications of such materials.

Thomas H. Windus, P.E.
Superintendent

BID SHEET - FIBER REINFORCED BITUMINOUS MEMBRANE SURFACE TREATMENT

The undersigned bidder has carefully examined the specification for FIBER REINFORCED BITUMINOUS MEMBRANE SURFACE TREATMENT and agrees to furnish and supply all the materials, equipment, tools and labor necessary to properly install the product requested, in strict conformance to the detailed specification attached. No deviations, amendments, or alternative methods of application or installation of the product or specification will be considered.

Bidders are requested to submit prices per square yard for the two (2) types listed and Options A - F. The square yard range is the average daily square yards to be constructed on all project locations or work sites

SQUARE YARD RANGE	FiberMat Type A	FiberMat Type B	Option A	Option B	Option C	Option D	Option E	Option F
1 - 5,000 SY/Day	\$ 4.18 /SY	\$ 4.13 /SY	\$.74 /SY	\$.435 /SY	\$.37 /SY	\$.80 /SY	\$.37 /SY	\$.62 /SY
